# OOPS!

WE GOOFED

At THE ELBA CLIPPER we make a strong effort to "be right," yet at times we goof. Last week was a good example of our goofs.

We announced the time change a week early and in the wrong direction, which further confused an already confusing issue. Thinking positive and looking for a silver lining in every dark cloud, there should be no doubt in advertisers' minds about people reading THE ELBA CLIPPER. Even though it was an accidental error, the short article in THE ELBA CLIPPER thoroughly confused West Coffee County and was used for reference material for some heated arguments.

We offer our apologies and thank you for the chance of trying again.

asked to implement their acquire dental knowledge in their classrooms.

During the month of November, after the students have been educationally prepared, a dental education consultant will visit the classrooms, serving as a resource person distributing necessary oral hygiene supplies and instructing in the proper use of each item, as the students actually disclose plaque and remove it from the teeth. The children will continue the plaque-removal sessions at the school under the trained teacher's supervision. It is hoped that the results of this project will encourage responsible individuals in Coffee County to continue the program on a permanent basis. Such follow-up will have the continued support of the State Health Department.

The Bureau of Dental Health, Alabama Department of Public Health, will present the workshop on Thursday, October 21st, at the New Brockton Farm Center's Community Room.

In December of 1974, all elementary teachers in the Coffee County Schools attended a Dental Health Education Workshop. However, recently it was felt by the Board of Education that a re-emphasis of dental disease prevention should take place in the classrooms of grades 3 and 6. The workshop will include techniques of plaque removal, emphasis on proper diet, use of fluorides and regular professional care for oral maintenance. These teachers will be

Beginning this week, THE ELBA CLIPPER will carry a section of news from the Kinston area.

Mrs. Joe (Sue) Patterson will be the writer of this news. Anyone in Kinston having news of interest may give it to Mrs. Patterson to be included in her column.

## Dorsey Open House

Was Huge Success

To report that the Open House at Dorsey Trainers Sunday afternoon was a success would be a slight understatement. The large crowd of people that turned out asked thousands of questions and stuck noses in thousands of corners. Over 3500 area citizens toured the trailer manufacturing plant, registered for the door prizes and enjoyed the refreshments. Management and employees of the firm swelled with pride as they opened the doors fifteen minutes early due to the large crowd assembled. Throughout the afternoon the pride of "Dorsey folks" surfaced as people were greeted, they marveled at the size of the plant or an employee said to family or friend, "this is where I work, making."

The company employees attempted to express their appreciation with a full page ad in this week's CLIPPER. It appears in the second section along with a few pictures of the afternoon's activities.

Our chances for the South Alabama Conference football title vanished last week, but we've still got one last shot at a state playoff berth.

### THE HOMEcoming JINX RETURNS!

Well, after a one-year absence, the ole Homecoming jinx returned to haunt the Elba Tigers last Friday. The 20-1 loss to Eufla marked the third time in four years we've lost our homecoming. Not exactly a worthwhile feat!

The Tigers looked good in driving for their first touchdown, but after that they seemed to have a "who cares" attitude. Maybe they thought they were so good they could beat Eufla without trying. No so!

Eufla has a good football team - not the best we've played - but a good team. They hit hard, and have a couple of quick running backs. David Gunney is a good quarterback and played well throughout the game. The Tigers have a good coach in George Cochran, and are deserving of their 1-1 record.

Now, back to Elba. I shouldn't say everybody didn't care because James Smith played a helluva game, and Larry Phillips and Wm Westbrook gave their usual 110%.

James played with reckless abandon throughout the game, and really destroyed quite a few of Eufla's plays single-handed.

Larry ran hard all night, and ended up with 171 yards in 11 carries. Larry's seasonal stats have him with 928 yards in 115 carries. That's averaging over 8 yards per carry. Mr. Phillips' career statistics show that he has rushed for 2633 yards, 401 carries, an average of over 6 yards per carry. Larry has started 25 consecutive games for Elba, and is only a junior! Not bad.

Wm is the most under-rated player on the team. He gives 110% every week, and never quits from the opening whistle to the final hollar. Against Eufla, Wm recovered a fumble and was in on 17 tackles. Pretty good for a 5-7 linebacker.

I'm not saying that these three players are the only ones who tried. I'm only saying that these three caught my eye!

**POLISH PICKS**  
Ye ole Polish prognosticator correctly picked 22 of 25 games last week for an 88% win-loss chart. There aren't many games left, but I'm hoping to finish strong and end the season well over 80%.

**ELBA - ANDALUSIA** The Tigers have been getting ready for this game for three weeks. Too bad!

**ANDALUSIA 20 - ELBA 7**

**KINSTON - NEW BROCKTON** The county title is at stake in this game. The Bulldogs still remember last year's fiasco, and the Gamecocks will wish they hadn't.

## KINSTON - NEW BROCKTON TO MEET IN GRUDGE MATCH

If you're not at heart, you can't stand the sight of blood, you'd better not go to the Kinston-New Brockton football game tomorrow night.

Last year the two teams staged a knockout-drama battle in Round 1, which the Gamecocks won 42-0. This year Kinston is vastly improved, and vows to gain revenge in Round 2. Also at stake in Friday's game is the Coffee County School System's football championship. It should be a real barnburner!

New Brockton has had a disappointing year under new coach Ed Comer, and has stumbled over a 2-6 record. The Gamecocks won their season opener over Zion Chapel 14-0, but their only other win came three games later over Castleberry.

New Brockton is led offensively by speedy running back Johnny Simmons, who is nearing the 1,000-yard mark. Simmons only 5-7, 160-pound, packs power and aggression and provides most of this team's offense. New Brockton has a good quarterback in

### HUNTING SEASON IS HERE

This year's hunting season is upon us, and hunters are taking to the woods in search of their favorite sport.

Dove season, which seems to be the most popular locally, opened on Monday, September 20, and will run through January 2 in Baldwin, Clarke, Coffee, Conecuh, Covington, Dale, Escambia, Geneva, Henry, Houston, Mobile, Monroe, and Washington counties.

All other counties have a split season from September 18 - Nov. 3 and Dec. 24 - Jan. 15. The limit is 12 a day and 12 in possession, and hunt-

ing hours are noon until sunset.

Rabbit season and squirrel season are also open. Squirrel season opened Monday, and lasts until Jan. 15. Rabbit season closes Feb. 28, and the limit for both is 8 a day and 8 in possession.

Quail season opens statewide on Feb. 28. Limit is 12 a day and 12 in possession.

The only local waterfowl season is a fall turkey season in Covington and it runs from Nov. 15 to Jan. 22. The limit is one a day.

### PENSACOLA OPEN BEGINS TODAY

The trio consists of Jerry Pate, a former University of Alabama golfer who has won \$150,000 this year, including the U.S. and Canadian Opens.

Hubert Green, a Birmingham native who owns three tour titles in '76; and Mac McLendon, a Montgomery native who won last week's Southern Open.

Other top name pros include J. C. Snead, David Graham, Tom Watson, Lee Trevino, and Jim Dent, the tour's lowest hitter.

The list of former champions entered includes Jerry McGee, Romero Blanco, Jim Colbert, Gay Brewer, Dick Lotz, Lee Elder and George

Archer.

No matter how you look at it, the 1976 Pensacola Open promises to be the best ever. Make your plans to attend this weekend!

The Pensacola Open, boasting its best field ever, takes off today (Thursday) at the lovely Pensacola Country Club course in Pensacola, Florida.

The \$125,000 event, the last one of this year's PGA tour, will run through Sunday.

This year's Pency Open should draw a large crowd from Alabama to watch their "favorite sons" in action.

## SCOUTING REPORT

The Andalusia Bulldogs' led by All-state fullback, Bob Johnson, will bring a 3-5 game regular season winning streak to Elba Friday night when they battle with the Elba Tigers.

Since taking over as Andalusia boss three years ago, Don Sharpe has compiled a brilliant 42-3-1 record. All three losses came in the state playoffs to the teams that went on to win the Class 3A title. The Bulldogs' last regular season defeat came way back in 1972 when Elba handed Andalusia a 7-0 setback. Since that 7-0 loss, the Bulldogs have defeated Elba three straight times by a combined total of 135-17.

This season Andalusia has rolled up an 8-0 record, including a 5-0 victory over Enterprise, the state's seventh-ranked 4A school. The Bulldogs have defeated Elba three straight times by a combined total of 135-17.

The running backs for the offense, scoring over 30 points per game in '76, is led by Bobby Johnson, a bruising 205-pound fullback. Johnson has rushed for 1042 yards this year in eight games, and has scored 13 touchdowns.

Other Bulldog running backs include John Anderson, who has carried 501 yards in only 4 games, Clarence Ball, and

John Jones, a quarterback. David Anthony doesn't pass very often, but when he does he is most effective. Anthony, a 6-3, 170-pounder, has completed 17 of 31 passes for 315 yards and 3 touchdowns. That's an average of over 24 yards per completion. Anthony's primary receiver has been Mark Chavers, who has caught 6 passes for 231 yards. That's an average of nearly 40 yards per catch.

The Bulldog defense doesn't rely on any one outstanding player, but utilizes its speed and quickness to frustrate their opponents. The Dogs' leading tacklers are Tim Nall (11), with 50 solo stops and 33 assists; tackle Ricky Vinson, with 40 solo stops and 22 assists; and defensive back Lee Williams, who is credited with 36 solos and 17 assists.

Andalusia is to make its fourth straight playoff appearance, it must defeat Elba. If the Tigers win, they will clinch a tie for the region crown, and will probably enter the playoffs.

Tomorrow night's (Friday) game is for "All the Marbles," the sure to attend. Kickoff is 7:30 p.m.

New Hope's next game is on Tuesday, Nov. 2, against Goodman.

The field at the CAM2 '100' will be the most star-studded ever to grace Coffee County's lovely racetrack. Included among the 50 drivers expected to go after \$7500 in prize money are Donnie Allison, Neil Bonnett, Dave Mader III, Red Farmer, Dennis Rewis, Wayne Niedecker and Wayne Niedecker Jr.

Donnie Allison, out of Hueytown, Alabama, won the 500-mile NASCAR event in Charlotte two weeks ago, and appears to be regaining the form that won him numerous races in the early '70's.

Donnie is, of course, the younger brother of NASCAR superstar Bobby Allison, his Hueytown neighbor.

Versatile is the word for Donnie Allison. Not only does he number such prestigious events as the Winston 500, Firecracker 400, World 600, National 500, and Carolina 500 among his victories, but in 1970 he was voted rookie of the year in the Indianapolis 500.

Donnie is still a tough runner in the unique slice of Americana that is known as short track modified-sportsman racing. He has been practically unbeatable at Birmingham this season.

For this week's race at Twin City, Donnie will be driving a brand new Camaro. The winning continued in 1972 and 1973, and in 1974 he joined forces with Bobby Allison. It was during '74 that Bonnett became known nationwide.

They're still talking about a ride he took in Trenton. He started 54th - last - in the feature race and was leading by the 21st lap.

Bonnett, who also lives in Hueytown, began racing in 1969 as a Hobby Class driver. He finished second in state standings and won the track championship at Montgomery in his first year of competition. In 1971 he graduated to the late model sportsman ranks.

### OVER 3500 VISITORS TOUR DORSEY PLANT

Over 3500 interested citizens attended the open house at Dorsey Trailers Sunday afternoon. The event was the first time the company has thrown open the doors in over twenty years, and the entire scene was strange, even to people who could remember the cold December day when they last toured the plant. Not only is the machinery much larger and more sophisticated, but the tremendous size of the working area was probably the most surprising thing to the visitors. As one wife was heard to comment, "I now know what my husband is talking about when he comes home tired because he walked through the plant several times during the day."

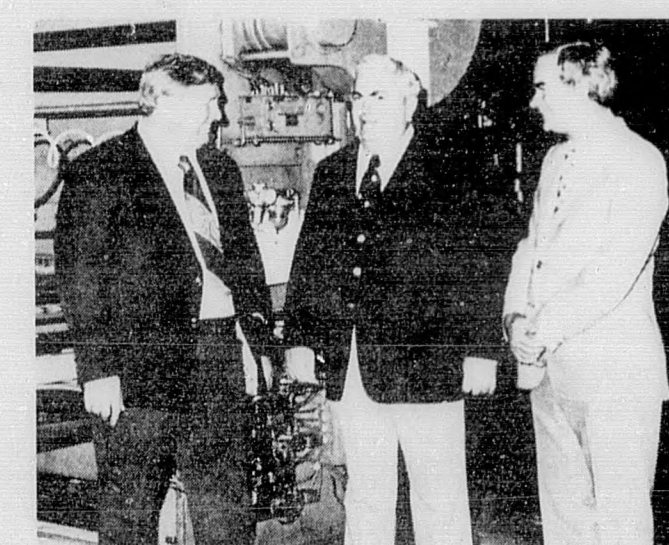

Visitors to Dorsey's "Open House" register upon entering the plant.

A crowd gathers at the plant entrance as Dorsey officials prepare to take visitors on tour of the facilities.

Visitors continued to pour in all afternoon. Here, the line to register stretches out into the workyard.

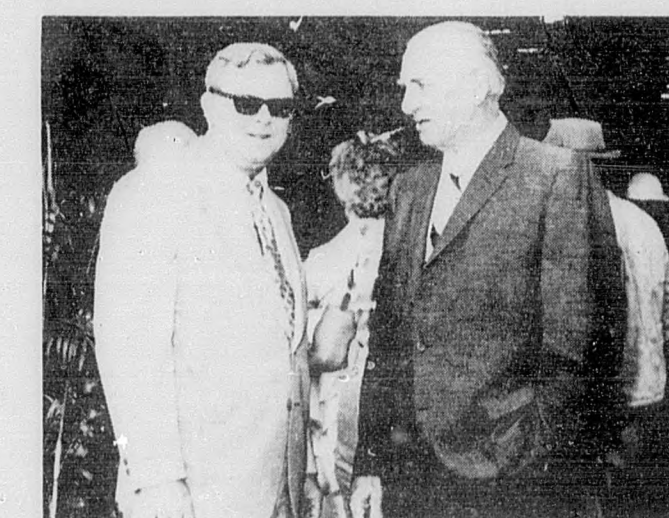

Robert Cunningham, vice president of Dorsey, Inc. manager of Trailco Division, Huanell Wharf, Pa., Sam Collier, vice president of Dorsey Trailers of Elba, and Charles Guinn, general manager of Dorsey's Nashville Tennessee Branch are shown looking over the plant.

Earl Lee Kelley shows his family the area he works and the job he does.

The hard hats served as tour guides for the afternoon's activities.

Dorsey president George Collier takes time to chat with Elba's Mayor Robert Folsom.

Mike Thomas explains the various aspects of the door department to a number of the visitors.

Jim Rogers served soft drinks to the approximate 4000 visitors at the Sunday afternoon open house.

(l-r) Mrs. Baxter Bryan, Mrs. Price Ringo, Mrs. Katherine Dorsey and Mrs. Nellie H. Martin stopped in the beautiful new offices to discuss the day's activities. The portraits on the wall are of past presidents.

Paul King leads the visitors through a tour of the Dorsey plant.

## Eufaula Dampens Homecoming - Dumps Tigers 20-7

Elba running back Larry Phillips (31) cuts upfield en route to a big gain. Phillips rushed for 171 yards in 21 carries.

Eufaula's Willie Griffin (22) heads up sidelines for 9-yard gain. Closing in for Elba are Larry Phillips (31), Willie Lowe (90), and Keith Maddox (87).

Unidentified Elba runner is sandwiched between two Eufaula defenders.

Tiger qb Russ Cash (11) huris pass downfield in loss to Eufaula. Cash rushed for 20 yards against stiff Eufaula defense.

An overflow crowd of supporters, alumni, and students jammed into Tiger Stadium last Friday night as Elba High School celebrated homecoming. However, the Elba fans had little to cheer about as the Tigers fell to Eufaula 20-7.

The win upped Eufaula's record to 8-1, while the loss dropped Elba's chart to 6-3. Elba received the opening kick, but managed to gain only three yards on three plays and were forced to punt. Eufaula put the ball in play on their 24-yard line, and moved to two quick first downs. Eufaula qb David Quinney fired a 45-yard pass to Toronto Thomas at midfield, but the ball was intercepted by Elba's Larry Phillips.

The Tiger offense got cranked up and moved 48 yards in 7 plays to move ahead 7-0. Larry Phillips got the call on the drive's initial four plays, and responded by gaining 25 yards. Johnny Dyess scored the touchdown on a 14-yard scamper through the middle of the Eufaula defense, and following Ken Martin's extra point, Elba owned a 7-0 lead with 4:00 left in the first quarter.

The Tiger defense stopped Eufaula on their next two possessions, but Elba's offense couldn't get on track, and also failed to move.

Eufaula's only score in the first half came following an Elba fumble on the Tiger 38-yard line. The tally came on a 5-yard run by Willie Griffin with 3:22 left in the half. The extra point was blocked by Elba's James Smith, and the Tigers continued to lead 7-6.

The Tigers drove to the Eufaula 28-yard line late in the second quarter, but failed to score, and went in at half-time leading 7-6.

Eufaula made it clear that they were ready to play in the second half by returning the kickoff 85 yards for an apparent touchdown. However, the visitors were penalized for being offside, and the Tiger lead was safe, but only for a while.

Eufaula stunned the Tigers by marching 63 yards in only 5 plays to take the lead. The touchdown came on a reverse by Charles Green, who sprinted 52 yards into the endzone.

Quinney passed to Green for the two-point conversion, and suddenly Elba was behind 14-7 with only 2 minutes and 43 seconds gone in the second half.

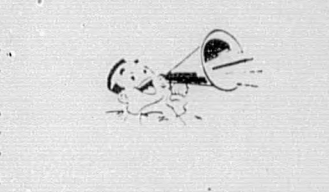

Elba's offense failed to mount a drive and were forced to punt. Eufaula put the ball in possession on their 35-yard line and again moved for a score. This time the touchdown came on a 30-yard pass from David Quinney to Toronto Thomas. James Smith again blocked the extra point, but with 4:16 left in the third period, Eufaula led 20-7.

The two teams swapped punts on their next possessions, and beginning the final quarter of play, Elba trailed 20-7, but had the ball first and 10 at their 42-yard line. Larry Phillips brought the crowd to its feet with a 43-yard scamper down to the Eufaula 15-yard line, and the Tiger fans felt their team was beginning a comeback. Three running plays left the Tigers with a 4th and 1 at the 6-yard line, but Elba received a 15-yard penalty for their coaches being on the field, and the scoring threat was over.

Eufaula took over on the Elba 21-yard line, and wrapped up the win by driving 70 yards in 16 plays, and using up nearly 7 minutes of the clock. Eufaula again scored an apparent touchdown on a two-yard run, but the score was nullified by a holding penalty. Elba got the ball back with 2:38 remaining in the game, but the locals failed to move, and lost 20-7.

The win ups Kinston's chart to 3-3, while the Rebels remain winless at 0-7.

Kinston scored first to grab an early 6-0 lead when Max Farris raced in from 10 yards out. The run for two failed.

Zion Chapel's Lee Shepard picked off a Bulldog pass late in the opening stanza and returned it to the Kinston two-yard line to set up the Rebels' touchdown. Corky Ward bulled

over for the score, and after Tony Brown's extra point, Zion Chapel held a stunning 7-6 advantage.

Kinston regained the lead late in the second quarter when Randy Parker scored on a 5-yard run. The half ended with Kinston owning a slim 12-7 lead.

## BLACK AND GOLD REVIEW

## EDITORIAL

Another powder puff football game has been played, and new sets of scratches and bruises have been acquired. After the game last Monday, it makes one wonder whether or not the name "powder puff" should be changed to something a little bit more appropriate. There were a lot of mad girls out on that field, and some boys that were sorry that they had agreed to be referees.

During the game I kept wondering how in the world those girls kept from getting mad and actually fighting each other. I saw a few close calls but before anything got really out of control, the team leaders would get their players back to their side and calm her down.

## A DAY AT ELBA HIGH

As I boogied with My Baby to class, five minutes later, I caught a glimpse of Mr. Powell coming down the hall. I decided to turn the Beat Around and head the other way before we got caught but it was too late. All I could do was stand tall and suffer the consequences. While making our way down the hall, I kept wishing I could turn into some kind of Super-

### Tell Me Something True

Tell me something true.  
Don't tell me I am only an animal, born to eat and sleep and breed and die, because this isn't true.

Don't tell me I am a statistic, numbered, to be fed into a computer, sorted and stored away in a memory bank. It is not true.

Tell me something true.  
Tell me I am a person, endowed with reason and the ability to think and to learn. This is true.

Tell me I have capacities for individual greatness, courage, fortitude and selflessness. This, too, is true.

Tell me that within the silence of my own soul I have the ability to master the lower propensities, and to bring into full flower the highest things of all creation, because this is true.

Describe to me the differences between inspiration and desperation; eagerness and happiness; sound ideas and silly notions; wants and needs; for between each there is a difference.
